Darcy,

I do not have any examples for Administrator briefings. I assume Deb or Betsy may have some??

Thanks Andrew. After our discussions earlier this week we were proposing to go out on Monday 11/21, but that seems dicey given a Friday briefing. Do you have example Administrator briefing documents?

Thanks
D

The briefing for the adm looks like it is next Friday – so will likely need to adjust release date accordingly. Thanks ng

Thanks .. heads up to check in with shaun – adm's office, through matt fritz, has asked for a briefing for her – so we need to make sure our comms plans don't get ahead of that – and that timing may be beyond the 18th ..thanks ng

The comm strat is still being edited but wanted you to have the latest version. Also attached press release.

The announcement will be on 11/18 according to UIC program folks which is a Friday so I'm not thrilled about it. I'm going to see if we can move it to Thursday or Monday.
